REMINDER TITLE 5 INSPECTION REPORTS

Good Afternoon Title 5 Inspectors,

This is a reminder to please submit ALL Title 5 reports to be reviewed by our office by US Mail (snail mail).

It is the policy of the Montague Board of Health that we **DO NOT accept** official title 5 reports via email most importantly as it is easy to miss in our inboxes or might end up in the junk mail/spam boxes both of which result in it not being reviewed.

Thank you for your time & cooperation on this matter!

Anne, Gina and Kathern
